Silk Road Association is a private entity, a non-political and non profit organisation which has the aim to create a platform that will promote cultural, historical, social and economic values, trade and transport development and opportunities between the States located on the route of the Silk Road, in order to revitalise in new dimensions and coordinate the Old Silk Road, as a fundamental connection between Asia and Europe. The Silk Road Association is located in Bucharest, 52 Dr. Lister Street.

The objectives and activities of the Silk Road Association consist of:

- Encouraging and supporting the restoration of the cultural universal heritage represented by the Silk Road;
- Enhancing and promoting the economic and commercial relations, the exchanges between partners from countries of the Silk Road route, based on common interests and shared spiritual values;
- Enhancing the cooperation with authorities, associations and the public and private sector partners to promote a common strategy for progress and prosperity in the region;
- Promoting the development of common projects of interest identified by the partners. Accessing the funds available for partnership with neighboring countries within the European Neighborhood- ENPI, TRACECA program and other available funding programs;
- Promoting the transport route on the Silk Road and the projects for the opening of inter-modal transport lines, using the Asia and Europe corridor and the connection of Constanța Port with the Danube, as an efficient alternative to serve the Central and Eastern Europe. Attracting new cargo flows on different modes of transport from Romania and especially promoting the Danube as a main transit artery for cargos coming from or going to Central Europe;
- Silk Road Association supports the achievement and promote the strategic transport corridor route Azerbaijan-Georgia-Romania-Kazakhstan, based on the geographical position and potential intermodal transport development between Azerbaijan-Georgia-Romania-Kazakhstan;
- Silk Road Association signed a Protocol of Cooperation with the United Association of Transport and Logistics from Georgia on January 13th, 2013;
- Silk Road Association organised a seminar regarding the transport strategy of Kazakhstan and cooperation projects between the Ports of Constanta and Aktau, on March 26th, 2013;
- Silk Road Association is going to host an event regarding cooperation projects and business opportunities in Georgia. The seminar will be organised in the fall of 2013;

- Silk Road Association is main applicant or partner in various projects with German Marshall Fund and the Norwegian Financial Mechanism 2009-2014.
